We most cordially invite the public to attend.

Editors Index: We are certainly thankful to the people and our exchanges for the many good words spoken for our paper, the "Tortoise." We promised another copy of the paper and will fulfill the promise as soon as we are able to do the work. For the past two or three weeks the Editor has suffered with a sore hand, resembling blood poison and was obliged to make two or three trips for medical aid to Kiowa and Kingman. We are glad to be able to say that in answer to our notice for kicks or good words there have been more good words than "kicks," but in answer to the "kick" from the Kiowa Kansan, will say that we think Bro. Perry, in his issue of Nov. 23rd, must have been laboring under a heavy mental strain, as we have issued no paper on the date given by him, the 19th. We think he refers to the issue of the 17th, or some other issue, when we said Kiowa is a great mudslinger. Now we did not say that of Kiowa, not at all, but we were informed by one of the same stripe as the Kansan that such was the case. Now Bro. Perry, get down on the earth again where everything is lovely, as the Tortoise and its Editors some day may rise and be going over the "outcome" by the time the Kansan gets well started over the score line. Some may wonder why this appears in The Index. Will say that the best way to catch the calf is to salt the old cow.

Yours truly,
EDITORS TORTOISE.

HAZELTON ITEMS

John and Charles Stewart have a nice bunch of cattle on fall feed in their lots in Hazelton.

Frank Hardesty is going to full feed a good big bunch of cattle in his feed lots in Hazelton.

Link Southard has been quite sick but is now able to be up, and will doubtless soon be out again.

That big scare Sunday night didn't amount to enough to even lay the dust, in fact it raised it considerably.

We understand that Frank Baker has sold his Hazelton property to J. C. B. Hargis, but did not learn the consideration.

Since L. M. Landreth was elected Justice of the Peace, he is getting to be the most accommodating man in our locality. He has now established three stopping stations for his auto on his road from home to Hazelton just to accommodate his neighbors.

Last Friday night a meeting was held at the school house in Hazelton for the purpose of organizing a debating society, and we learn they elected officers and are going to settle a lot of the most important and pressing matters of Government this winter.

This is one time when the people who believe in prayer make it a specialty to offer up a petition every time it clouds up a little, and in their petition they are willing to take just any kind of moisture, rain, snow or sleet, just so it is moist. Neither are they inclined to stipulate as to quantity.

Elmer Baker is now spending his time wondering whether it pays to help the other fellow or not. He got a sentence of \$100 fine and costs and thirty days in jail for doing something that another has done for a long time in Hazelton with no penalty attached, and the worst of it is Elmer stands to get stuck on four counts when he gets in the District court.

Lake City

Mrs. J. A. Connor and daughter went to Medicine Lodge last Saturday.

Mrs. J. D. Buck visited with her mother, Mrs. W. O. Thompson, last week.

Miss Pattie Cooke visited Sunday with relatives in the Deerhead neighborhood.

Mr. and Mrs. Richard Kannier of Coats were the guests of their daughter, Mrs. Fred Lake, last Wednesday.

The infant daughter of Mr. and Mrs. Ed Larkin of Deerhead was laid to rest in the Lake Cemetery last Tuesday.

Mrs. Catherine Early, of Kansas City came in last Friday morning to spend the winter with her brother, S. G. Stewart.

F. J. DeGeer and family of Medicine Lodge spent a part of last week visiting Mrs. DeGeer's parents Mr. and Mrs. A. J. Trotter.

Geo. Hodges of Aetna, was in town a few days ago looking quite well after his accident of a few weeks ago, although he still walks with a crutch.

The barber shop at this point has changed hands again; this time Orville Fager is the purchaser. Glenn Ellis, the retiring barber, is thinking of going to southern California.

Next Saturday night will be the meeting for the election of officers of the Masonic Lodge at this place. After the meeting there will be an oyster supper served by the Ladies Aid Society. All Masons cordially urged to attend. The local camp of the Modern Woodmen will also be served with an oyster supper after their election of officers which will happen next Monday evening. Those who are fortunate enough to belong to both of these orders will surely have a chance to live high for a few days.
